#### Financial Assistance:

Please find the following options available to help with funding.

- [JUMPSTART](#)

Raising funds. Lifting spirits. Supporting dreams.

Jumpstart is more than just about getting kids active. It's about giving kids from families in financial need the same chance to participate as their neighbors, their classmates and their friends. Whether it's the chance to try a new sport or to continue with a favorite one, no kid should be left out.

The vision of Jumpstart is simple: Canada, where all kids have a chance to fulfill their dreams.

Jumpstart is a national charity with a commitment to local communities. Organized sports connect kids to their communities. Canadian Tire Corporation recognized this and makes sure that money raised stays where it is donated. Canadian Tire Corporation is Jumpstart's biggest supporter as it funds all the general administrative expenses of Jumpstart, which means 100% of customer donations go directly to help kids in need.

- [KidSport™](#)

KidSport™ is a grass roots Canadian non-profit organization that provides support to under-resourced children and youth 18 years of age and under in London by removing financial barriers that prevent them from playing organized sport.

KidSport is a not-for-profit organization that provides financial assistance to kids aged 18 and under through a confidential application process to play a season of sport. The KidSport London chapter is delivered by the London Sports Council.

- The Byron Optimists believe that every child has the right to play sports, if you are in need of help in order for your child to play Baseball or Fastball please contact in confidence our President Shaun Bonnallie at [president@byronbaseball.ca](mailto:president@byronbaseball.ca)
